THE NEW ALABAMA SEAL OF BILITERACY: LANGUAGE STUDY RISING WORKSHOP

September 10, 2022

Attention Alabama Language Teachers: Join Us for Professional Development

We are excited to offer Alabama's world language educators the **first** workshop on the Alabama Seal of Biliteracy since it was signed into law in April 2022. We invite you to come to the beautiful Birmingham-Southern College campus for a day of professional development that includes nationally recognized experts on the Seal of Biliteracy and local educators. Come learn about this opportunity for your students, how to implement the Alabama Seal of Biliteracy, and how teaching for proficiency relates to traditional humanities content and practices in the language classroom. The sessions will provide **six hours** of professional development for teachers of all world languages!
